

MARK XP: ☐☐☐☐

Whenever you...

- ...Suggest a relevant new process or working agreement
- ...Point out when the team violates a process or working agreement
- ...Articulate the current task at hand and make it visible to the entire mob
- ...Capture design decisions and other technical details for the team

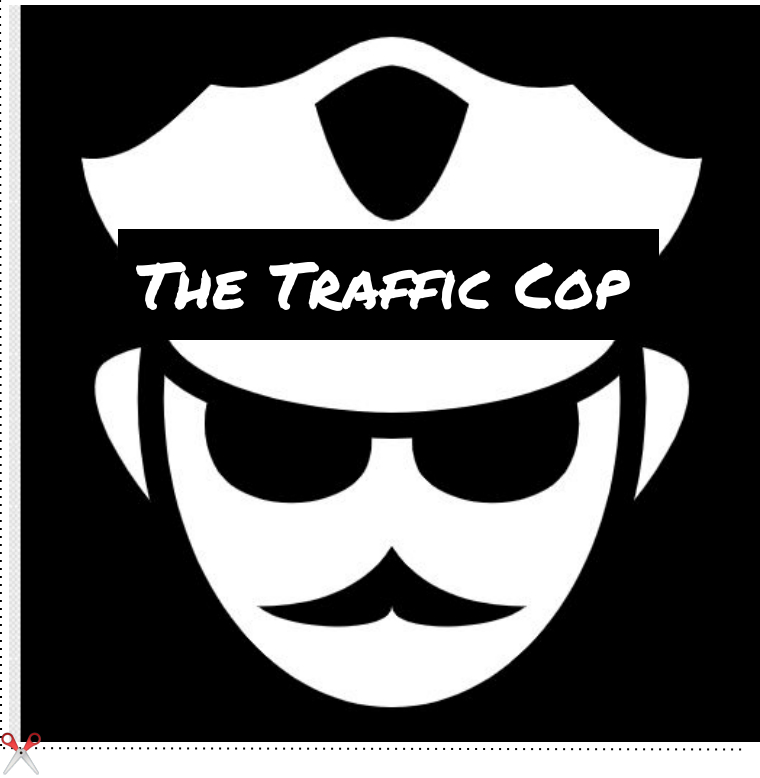

THE TRAFFIC COP

*"Follow the rules of the road.
It will save your life"*

You know how even the great can make foolish mistakes when fatigued, so your experienced eyes are always on how we get there, not where we're going.

**WHEN YOU MARK
YOUR LAST XP BOX...**

Add a new playbook and a TRAFFIC COP badge
